# HEADQUARTERS FOR EVERYTHING KNOWN IN PANSIES. **CROP 1905.**

Pansy growers will find all the "good things" in Pansies that are to be obtained either at home or abroad in this list. All the latest novelties as well as all the new and standard varieties are included, many of which cannot be had elsewhere. This stock is grown and seeded by over twenty pansy growers and specialists and therefore should not be compared with cheap imported seed from continental dealers, who supply domestic commission houses. Such seed is unfit for florists' use.

# SPECIAL BLENDS OF CLOVENA PANSIES

Our seeds are grown and saved in separate colors and strains, and blended after harvest by set formulas, thus securing uniform mixtures that can be depended upon. This season we have improved each blend by adding new colors and markings.

Types of bloom found in 2632—New York Giant Market Blend.

**2632. New York Giant Market Blend.**—A mixture of robust, hardy, free flowering giants of fine colors, with a good percentage of yellow, blotched and light grounds so popular and in great demand around New York City. While the blend will not produce the variety of colors and flowers of as great substance as our New York Fancy Show Blend No. 2710, it is a very fine mixture for florists who need a first-class stock at moderate price. Price of seed, prepaid, packet of 125 seeds, 7c. Trade packet, 2,000 seeds, 50c. Trade packet, 5,000 seeds, \$1.00. Ounce, \$2.50. Strong plants, 100, 40c.; 1,000, \$2.00; 2,000, \$3.50; 5,000, \$7.50.

**2709. New Buttercup Blend.**—This is an extra mixture of yellow and golden flowering kinds. We guarantee that every plant will produce flowers with yellow or gold in them—from solid yellow in different shades to spotted, marbled, blotched and banded flowers in fire and gold. Price of seed, prepaid, packet of 125 seeds, 8c. Trade packet, 2,000 seeds, 60c. Trade packet, 5,000 seeds, \$1.20. Ounce, \$3.00. Strong plants, 100, 40c.; 1,000, \$2.25; 2,000, \$4.00; 5,000, \$8.75.

**2710. New York Improved Fancy Show Blend.**—On page 2 we illustrate types found among the 100 or more subjects, selected from all classes and races at home and abroad, and which are combined in this blend. Where a grand, showy mixture is desired, covering the widest range of colors and variations in extra substance and perfect form, we recommend this as an ideal mixture that cannot be surpassed at double the price. We are adding new colors and markings each season. Packet of 125 seeds, 10c. Trade packet, 2,000 seeds, 80c. Trade packet, 5,000 seeds, \$1.60. Ounce, \$4.00. Strong plants, 100, 50c.; 1,000, \$2.50; 2,000, \$4.50; 5,000, \$10.00.

**2737. Prize Medal Blend.**—We offer this mixture for strictly fancy exhibition stock. It is made up from seed saved from named prize award plants of rare blotched kinds, penciled and marked in greatest perfection, so desirable, yet so difficult to develop. It does not contain any selves or as great a variety of colors as our Fancy Show Blend No. 2710, and is not intended for ordinary bedding or florists' sale stock, except those who have a critical trade and can get the proper prices. With ordinary care or with the masses, it will be a disappointment, but under special cultivation, mammoth round flowers of surpassing substance and quality will be produced. Packet, 125 seeds, 30c. Trade packet, 2,000 seeds, \$2.40. Trade packet, 5,000 seeds, \$4.80. Ounce, \$12.00. Strong plants, 100, 80c.; 1,000, \$6.00; 2,000, \$10.00.
